

Student FAQs

How do I get an academic reference?

An academic reference will come in the form of a student statement confirming your name, course, dates studied and qualification achieved if applicable. You can request an academic reference from MyUniHub

by email to MyUniHub@swansea.ac.uk

We cannot provide academic references directly to third parties, we have enlisted a company named HEDD who facilitates academic references to third parties on our behalf. They can be contacted through their website www.hedd.ac.uk

For a more personal reference please contact your Personal Academic Mentor or your academic college.
