## Who are students with additional considerations?

At Swansea University we are aware that students may have additional considerations which can present specific challenges whilst studying. We aim to focus our resources to ensure we tailor our advice and support to meet students circumstances and overcome any financial issues. Students with additional considerations include:

- Being a Care Leaver
- Being estranged from your family
- Being a carer
- Being a student parent
- Having a disability / specific learning difficult
- Students with wellbeing issues

If you do not fall within any of these groups but feel you have different considerations that will affect the level of Student Finance you are entitled to, please get in touch with us on 01792 606699 or [money.campuslife@swansea.ac.uk](mailto:money.campuslife@swansea.ac.uk)
