

Library Guides

What support does the Library give me if I live far away from campus?

We offer a number of specially designed services, known as **LibraryPlus**, aimed at making your student life easier.

Who can use LibraryPlus services?

- Part time students
- Distance learners
- Lifelong learners studying at Swansea University
- Students on placements (e.g. Health Science students)
- Students with disabilities
- Carers
- Or anyone who expresses a need for extra help, whether for a short time or long term.

We have extra information, including a request form, on our [LibraryPlus](https://www.swansea.ac.uk/library/student-support/libraryplus/) web page (<https://www.swansea.ac.uk/library/student-support/libraryplus/>)
