I am a student at St. David's Park campus. What Library services are available here?

[St. David's Park Library](#) is based at the St David's Park campus, Carmarthen. This was opened in November 2012 to support Health Sciences students being taught at the the St. David's Park campus.

The library is primarily for the use of Swansea University Health Sciences students studying at Carmarthen, but any registered student and member of staff is entitled to use the PC facilities and borrow items from the Library in person.

St. David's Park Library welcomes external visitors on a reference basis only.
