How do I know if a library item is overdue?

Items on loan from the library will automatically renew on a maximum of 3 occasions i.e. items will be renewed for their original loan period a maximum of 3 times. At the end of this period you will need to bring the item back to the Library to prove you have not lost or damaged the item. If no one else has requested the item you can borrow it again if you need to.

Overdue notices will be emailed to you to remind you of the outstanding loan. You can keep track of your loans by logging into your library account online via the [library catalogue](#). Select **Login** at the top right of the screen. Login with your usual Swansea username and password. Select **Items on Loan** and you will see the option to renew your books.
