

Library Guides

How do I find financial and economic data?

Swansea University members have access to a number of databases which can supply UK, European or global data on companies, markets and countries through a range of databases.

Further information can be found on the Library Guide for Management:

<http://libguides.swansea.ac.uk/management/datastatistics>

Alternatively contact the School of Management librarians for help:

<http://libguides.swansea.ac.uk/management/contactus>

Unique solution ID: #2040
