

Library Guides

How can I get a new/replacement card as a DACE student?

Please contact the Miners' Library regarding new and replacement cards, providing a photograph if you need a new one or wish to exchange the old one. We can then arrange either for you to collect the card on your next visit or for it to be posted. The Library Desks at both Singleton Park and Bay Libraries can also print new and replacement cards for you. New cards are free, but you will be required to fill in a form with the Miners' Library beforehand. Replacement cards cost £5.

Unique solution ID: #2052
