How do I give feedback at the Miners' Library?

Feedback can be given in person at the desk, via e-mail (miners@swansea.ac.uk), on the phone (01792 518603), or on [Facebook](#) and [Twitter](#). We also have a new suggestions box located in the foyer, with feedback slips located next to it and in other areas around the Library. This allows you to pass on any comments you have about the services here anonymously and we regularly update our users to let them know when we have responded.
