What is specialist tuition and how do I access this?

The [Centre for Academic Success](#), located above the library on Singleton campus, is there to support all students in developing their academic study skills and achieving their goals via workshops and courses.

However, specialist 1:1 tuition/study skills is awarded to some students who apply for and are awarded DSA. If you have been awarded specialist 1:1 tuition/study skills as part of your DSA2 Award, please email them at

academicsuccess@swansea.ac.uk
