

# RIS and Cronfa

## Is there a guide to using RIS?

We have a RIS User Guide which can be found here:

<https://blackboard.swan.ac.uk/bbcswebdav/institution/LibraryISSResources/Material%20for%20researchers/RIS%20User%20Guide.pdf%20>

It also explains how inputs in RIS are made public via Cronfa.

Unique solution ID: #1168
