

Attendance Monitoring

Does this also apply to international students?

Students who hold Tier 4/Student Route visas are required to demonstrate high and consistent levels of engagement in order to maintain their visa status.

Tier 4/Student Route sponsored students who have engagement in the 'none' category for 21 days continuously will be contacted by Student Compliance Services and will be required to attend a meeting to discuss their non-engagement.

Substantial periods of non-engagement must be reported by the University to the UKVI, who will in turn act to curtail leave.

We also undertake Tier 4/Student Route Engagement Checkpoints to review overall engagement over a Teaching Block. For further information, please contact
