## Why can't I login to GAMS?

If you have problems logging in, the first thing to check is if you can log into the central University Intranet (<https://intranet.swan.ac.uk>). If you can't, you will then need to contact IT Services for assistance. If you can log in to the Intranet, then please contact Jason Jones ([j.w.jones@swansea.ac.uk](mailto:j.w.jones@swansea.ac.uk)).
